

European Broker Meeting™

THE EUROPEAN BROKER MEETING 2012

The European Broker Meeting, Europe's Largest networking event for the IT trading industry, is going to the Heart of Europe, Pearl of Danube, Capital of Freedom, Budapest. A unique opportunity to strengthen relationships and find new business while in a leisurely environment is available to 450 traders worldwide in one place on November 15th and 16th at the Royal Corinthia: a hub for the elite of nineteenth century society which was painstakingly restored to its original glory some hundred years later.

The European Broker Meeting is a much expected yearly networking event for Computer Traders organized by

www.TheBrokerSite.com, Europe's Largest B2B Computer Trading Exchange. With around 400 traders attending each year, the EBM has grown into the largest get-together for the computer trading industry in Europe.

What to expect:

- ◇ **One on One networking meetings**
- ◇ **Business to Business Speed dating sessions**
- ◇ **Online and mobile meeting scheduler**
- ◇ **City tours and leisure activities with other traders**
- ◇ **Friendship in business afterwards**

The European Broker Meeting is open to all companies trading Desktops, Laptops, Servers, Printers, Mobile Phones, Networking and POS Equipment who aim to get in contact with the players of their industry.

www.TheBrokerSite.com has been organizing the European Broker Meeting since 2005 in cities like Paris, Amsterdam and Prague, going to a different city each meeting. On it's 8th presentation, The European Broker Meeting 2012 opens its doors to a larger group this year.
